85. P&G and sanofi-aventis deny the allegations contained in paragraph 85.

PRAYER FOR RELIEF

86. Plaintiffs' "Prayer for Relief" section of the Complaint does not contain allegations of fact and therefore no responsive pleading is required. To the extent a response is deemed necessary, P&G and sanofi-aventis deny each and every allegation and assertion listed under the "Prayer for Relief" section of Plaintiffs' Complaint and deny that Plaintiffs are entitled to any of the relief requested.

AFFIRMATIVE DEFENSES

87. Inasmuch as the Complaint does not describe the alleged underlying claims with sufficient particularity to enable P&G and sanofi-aventis to determine all of their legal, contractual and equitable rights, P&G and sanofi-aventis hereby give notice that they intend to rely upon such other defenses as may become available or appear during discovery proceedings in this case and hereby reserve the right to amend and/or supplement this answer to assert any such defense at a future time and in conformity with the Federal Rules of Civil Procedure.

FIRST AFFIRMATIVE DEFENSE

88. The Complaint fails to state a claim upon which relief can be granted.

SECOND AFFIRMATIVE DEFENSE

89. Any product for which P&G and sanofi-aventis were responsible at the time of the occurrences or injuries alleged by Plaintiffs was not defective and unreasonably dangerous in its design, manufacture, or marketing, and it was at all times reasonably safe and reasonably fit for its intended use. The warnings and instructions accompanying the product at issue in this case were legally adequate warnings and instructions.

THIRD AFFIRMATIVE DEFENSE

90. Plaintiffs' claims are barred in whole or in part because P&G and sanofi-aventis provided adequate "direction or warnings" as to the use of any of its products within the meaning of comment j to Section 402A of the Restatement (Second) of Torts.

FOURTH AFFIRMATIVE DEFENSE

91. P&G and sanofi-aventis assert the applicability of comment k of the Restatement (Second) of Torts § 402A, which bars Plaintiffs' claims in this lawsuit.

FIFTH AFFIRMATIVE DEFENSE

92. P&G and sanofi-aventis deny that Plaintiff used any product manufactured or marketed by P&G and sanofi-aventis as alleged in Plaintiffs' Complaint.

SIXTH AFFIRMATIVE DEFENSE

93. Any and all damages alleged by Plaintiffs may have been caused by misuse of the product at issue, failure to use the product properly, and/or alteration or negligent use of the product.

SEVENTH AFFIRMATIVE DEFENSE

94. If Plaintiffs have sustained injuries or losses as alleged in the Complaint, such injuries or losses were caused in whole or in part by the contributory negligence of the allegedly injured Plaintiff.

EIGHTH AFFIRMATIVE DEFENSE

95. The occurrences and injuries alleged by Plaintiffs were caused or contributed to by the negligence, breaches of warranty, or defective products of third parties over whom P&G and sanofi-aventis had no control and for whom they are not responsible.

NINTH AFFIRMATIVE DEFENSE

96. Plaintiffs' claims may be barred by negligence and/or the contributory negligence of others, and/or by the assumption of risks, if any, inherent in the alleged use of the product at issue by Plaintiffs and/or the treating physicians and/or other health care providers.

TENTH AFFIRMATIVE DEFENSE

97. If Plaintiffs sustained the injuries and damages alleged in the Complaint, such injuries resulted, in whole or in part, from the culpable conduct and negligence of Plaintiffs and/or of third parties, not from any negligence or breach of duty by P&G and sanofi-aventis.

ELEVENTH AFFIRMATIVE DEFENSE

98. The occurrences and injuries alleged by Plaintiffs resulted from an intervening cause or a new and independent cause which was the proximate and/or producing cause and/or the sole proximate and/or sole cause of the occurrences and injuries alleged by Plaintiffs. Moreover, the occurrences and injuries were caused by separate and independent events or agencies not reasonably foreseeable. Such separate and independent events or agencies destroy the causal connection, if any, between any alleged breach of legal duty on the part of P&G and sanofi-aventis and the occurrences and injuries alleged by Plaintiffs, and thereby become the

immediate and/or sole cause and/or sole proximate cause of such occurrences and injuries, relieving P&G and sanofi-aventis of liability to Plaintiffs or any other parties.

TWELFTH AFFIRMATIVE DEFENSE

99. If Plaintiffs sustained the injuries or incurred the expenses alleged, the same may have been caused, in whole or in part, by operation of nature or act of God.

THIRTEENTH AFFIRMATIVE DEFENSE

100. If Plaintiffs sustained the injuries or incurred the expenses alleged, the same may have been caused by an idiosyncratic reaction, without any negligence, defect, or failure on the part of P&G and sanofi-aventis.

FOURTEENTH AFFIRMATIVE DEFENSE

101. If the Plaintiffs sustained injuries or losses as alleged in the Complaint, such injuries or losses resulted from Plaintiff's pre-existing and unrelated medical, genetic and environmental conditions, diseases, or illnesses, subsequent medical conditions or natural courses for which P&G and sanofi-aventis are not responsible.

FIFTEENTH AFFIRMATIVE DEFENSE

102. The Federal Food & Drug Administration ("FDA") has implemented a comprehensive regulatory scheme governing the safety and efficacy of prescription drugs. The drug at issue in this case (the "product" or "product at issue") was approved by the FDA pursuant to such applicable statutes and regulations and, pursuant to such, could only be used pursuant to the prescription of a licensed prescriber. The labeling for the product at issue was also approved by the FDA and the marketing was conducted in conformity with the FDA's rules and regulations. To the extent Plaintiffs assert claims based on P&G and sanofi-aventis'

adherence to and compliance with applicable federal laws, regulations and rule, such claims are preempted by federal law under the Supremacy Clause of the United States Constitution.

SIXTEENTH AFFIRMATIVE DEFENSE

103. Plaintiffs cannot recover because the product at issue was designed and/or made in accordance with the state of the art at the relevant time.

SEVENTEENTH AFFIRMATIVE DEFENSE

104. P&G and sanofi-aventis state that the benefits of the product at issue outweigh the risks, if any, which may be attendant to its use.

EIGHTEENTH AFFIRMATIVE DEFENSE

105. Each and every claim asserted or raised in the Complaint is barred by the applicable statute of limitations.

NINETEENTH AFFIRMATIVE DEFENSE

106. Plaintiffs' claims are barred by the doctrines of estoppel, waiver or statutory and regulatory compliance.

TWENTIETH AFFIRMATIVE DEFENSE

107. To the extent Plaintiffs are seeking recovery for benefits entitled to be received or actually received from any other source for injuries alleged in the Complaint, such benefits are not recoverable in this action.

TWENTY-FIRST AFFIRMATIVE DEFENSE

108. To the extent that Plaintiffs rely upon any theory of breach of warranty, Plaintiffs did not rely on such warranties and the claims are otherwise barred for lack of timely notice, lack of privity and/or because the alleged warranties were disclaimed.

TWENTY-SECOND AFFIRMATIVE DEFENSE

109. Actonel is a prescription pharmaceutical that was available only upon the prescription of a licensed physician, and persons other than P&G and sanofi-aventis, including Plaintiff's treating physicians and health care personnel and institutions, stood in the position of learned intermediaries between P&G and sanofi-aventis and Plaintiff. Any claims against P&G and sanofi-aventis accordingly are barred in whole or in part by the learned intermediary doctrine.

TWENTY-THIRD AFFIRMATIVE DEFENSE

110. Plaintiffs' claims are barred as a matter of law pursuant to Restatement (Third) of Torts §§ 2,4, and 6.

TWENTY-FOURTH AFFIRMATIVE DEFENSE

111. Plaintiffs' claims relating to alleged communications with regulatory agencies of the United States government are barred in whole or in part by operation of applicable law, including First Amendment rights to petition the government.

TWENTY-FIFTH AFFIRMATIVE DEFENSE

112. This case is more appropriately brought in a different venue.

TWENTY-SIXTH AFFIRMATIVE DEFENSE

113. To the extent Plaintiffs settled or will in the future settle with any person or entity with respect to the injuries asserted in the Complaint, P&G and sanofi-aventis' liability, if any, should be reduced accordingly.

TWENTY-SEVENTH AFFIRMATIVE DEFENSE

114. Plaintiffs' claims are barred in whole or in part because Plaintiffs have failed to mitigate the alleged damages.

JURY DEMAND

P&G and sanofi-aventis hereby demand a trial by jury on all of Plaintiffs' claims.

WHEREFORE, Defendants P&G and sanofi-aventis pray for judgment as follows:

1. That Plaintiffs take nothing by their Complaint;
2. For such other and further relief as the court may deem just and proper.
